The General & Revenue Secretary
to the Government of His Highness

Bangalore.

Respected Sir G. No 18-09-1

I most respectfully beg to submit that two clocks have been put up in the tent Store & Stationary Depot and I have been asked by the cashier to wind & regulate them and attend to their necessary reparres. These clocks are not included in the list that was furnished to me under Govt Order No G.2679-88, G. Y. 108-07-2 dated Bangalore 24th October 1907 by which I was granted a fixed remuneration to look after the clocks in the list.

I pray that in consideration of this extra work put on me and also in consideration of the past that the remuneration fixed under the above order was much lower than the amount I was formerly getting to keep the same number of clocks in thorough working order. You will be pleased to order the grant of an allowance of Rs 2/- per mensem for the same. I further beg to submit that I have a very large family which I find very difficult to support in these famine days. For which act of Kindness I shall ever be grateful and pray for your prosperity.

I beg to remain
Respected Sir
Your most obedient Servant.
